

EASTERN COUNTIES CAVALIER KING CHARLES SPANIEL SOCIETY

The Current Data Protection Act is being replaced by the General Data Protection Regulation (GDPR) on 25th May 2018.

One of the main changes in regulations is that the Eastern Counties Cavalier King Charles Spaniel Society is required to ask for the OPT IN consent from its members to the publication of personal data, such as names, addresses, affixes, telephone numbers and email addresses. Plus, we would like to continue to communicate with members via email/electronically – in a serious attempt to reduce costs and our carbon footprint.

To do this we need to obtain your OPT IN – consent and confirmation by you of your current email address where applicable. Your data is kept secure on a private computer, and only used for Society business. It will not be sold to a 3rd party. However, with regard to judging lists and other data that the Kennel Club may require from time to time we would be obliged to share the data with them.
