Judge : Mr John Whitman

Many thanks to the Committee for inviting me to judge their well run open show. Since the invitation I had obviously had to have my hand amputated and was worried I may not have been able to complete the appointment, I didn't imagine that a bigger problem would be a Worldwide pandemic! And so I was really pleased with such a lovely entry at a time when the pandemic was still affecting the shows, and thank everyone for their patience with me judging with one hand! I had plenty of really nice quality dogs to judge and was extremely happy with my final winners.
