

Eastern Counties Cavalier King Charles Spaniel Society

Club Open Show – St Neots – 04.10.2014

Judge : Miss Caroline Gurtner (de Melcourt - France)

I would like to thank the Eastern Counties CKCS Society and its Committee for a lovely day and all the exhibitors for their sportsmanship.

In general, the quality of the dogs was there. But I want to mention that a few dogs were showing a little too much white in the eyes which spoils the soft expression the Cavalier King Charles should have. Also I found that too many exhibitors were giving food to their dog while on the table. Then the dog becomes a bit agitated trying to find the food and it is not easy to have a good look at its head which is moving in all directions.
