

Eastern Counties Cavalier Club open show 16/9/2023

I was delighted to be asked to judge the special awards classes at this breed show. Thank you to the exhibitors, my steward Christine and the committee. I thoroughly enjoyed my assignment.

Special Award Puppy Dog or Bitch

1st Huberts Rabymar Secret Obsession. Delightful Black and Tan bitch with a lovely head carriage. She is a neat package with a pretty head, well set ears and a nice width to rear. She is full of character and enthusiasm.

Special Award Graduate Dog or Bitch

1st Huberts Rabymar Maggie May. Pretty, well made, compact ruby bitch of nice balanced proportions. I particularly liked her bone, depth of chest and good width to rear. She has good dark eyes and is well schooled moving freely round the ring.

2nd Knights Carolus Miss Chloe. Well marked Blenheim bitch with a pretty head, nicely set ears and a much prized lozenge. She has a lovely silky coat.

Special Award Open Dog or Bitch

1st Fortunamajor Rubeus. A nice chunky ruby boy with a short level back and a good stride. He has a nice quality coat and just the right amount of it. Good masculine head and a confident manner.

2nd Beaconsfylde Catch The Kiss JW ShCM VW. Blenheim boy with a well presented, quality coat of nice texture and with rich tan. He is balanced and well made with a handsome head. Slightly longer cast than first and not moving with enthusiasm today.
