

**Eastern Counties Cavalier King Charles Spaniel**  
**46<sup>th</sup> Breed Championship Show**  
**13<sup>th</sup> April 2024**  
**Judge: Miss C. Gurtner**

First, I would like to thank the Committee for inviting me to judge at this 46<sup>th</sup> Breed Championship Show. A special “thank you” too to my 3 stewards who did such an amazing job all day to make things running smoothly. Thanks too to the exhibitors who gave me a chance to judge their dogs. But an advice for quite some of them, please refrain to give any food to your dog while on the table. It distracts its attention and makes it more difficult to assess for the judge.

I also noticed that the tricolour Cavaliers are in danger of losing their nicely broken body marking and head white blaze which are the breed standard. Quite some of them were too blanket black.
